# Agency Information Collection Activity Under OMB Review

**AGENCY:** Department of Transportation, Federal Aviation Administration (DOT/FAA).

**ACTION:** Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) this notice announces that the information collection request described below has been forwarded to the Office of Management and Budget (OMB) for review. The FAA is requesting a clearance in accordance with 5 CFR #1320.10. The following information describes the nature of the information collection and its expected burden.

DATES: Submit any comments to OMB and FAA by February 23, 1998.

# SUPPLEMENTARY INFORMATION:

*Title:* Flight Standards Customer Satisfaction Survey #2.

Need: The need is for the Flight Standards Service to survey customers in keeping with our strategic initiative to improve the quality of our service by anticipating customer needs and responding to the public interest. The action of conducting customer satisfaction surveys is consistent with, and mandated by, such executive and federal level issuances as the September 1993 Presidential Executive Order, Vice President Gore's Report of the National Performance Review, and the FAA's Strategic Plan.

The completion of this survey is voluntary. No assurance of confidentiality is provided as the respondents are not asked to reveal information about themselves, except if they wish to do so voluntarily in the comments section. Additionally, we are stating in the questionnaires themselves that any names or identifying information will be redacted by the contractor before a list of comments is turned over to the FAA.

Respondents: A combination of approximately 53,625 airmen, air operators, or air agencies are expected to respond.

*Frequency:* Every 18 months. *Burden:* The Federal burden is approximately \$205,500; the respondent burden is approximately 10,725 hours and \$375,000.

FOR FURTHER INFORMATION: or to obtain a copy of the request for clearance submitted to OMB, you may contact Ms. Judith Street at the Federal Aviation Administration, Corporate Information Division, ABC–100, 800 Independence Avenue, SW, Washington, DC 20591.

Comments may be submitted to the agency at the address above and to: Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10202, Attention FAA Desk Officer, 725 17th Street, NW, Washington, DC 20503.

Issued in Washington, DC, on December 17, 1997.

# Intelligent Vehicle Initiative; Request for Information

AGENCIES: Federal Highway Administration (FHWA), Federal Transit Administration (FTA), and National Highway Traffic Safety Administration (NHTSA), DOT. ACTION: Notice; request for information.

**SUMMARY:** The USDOT is seeking comments from all sources (public, private, governmental, academic, professional, public interest groups, and other interested parties) on the Intelligent Vehicle Initiative (IVI). The IVI is being established as a major new component of the Intelligent Transportation Systems (ITS) Program. The intent of the IVI is to improve significantly the safety and efficiency of motor vehicle operations by reducing the probability of motor vehicle crashes. To accomplish this, the IVI will accelerate the development, availability, and use of driving assistance and control intervention systems to reduce deaths, injuries, property damage, and the societal loss that result from motor vehicle crashes. These systems would help drivers process information, make decisions, and operate vehicles more effectively. These systems would
